ABOUT US

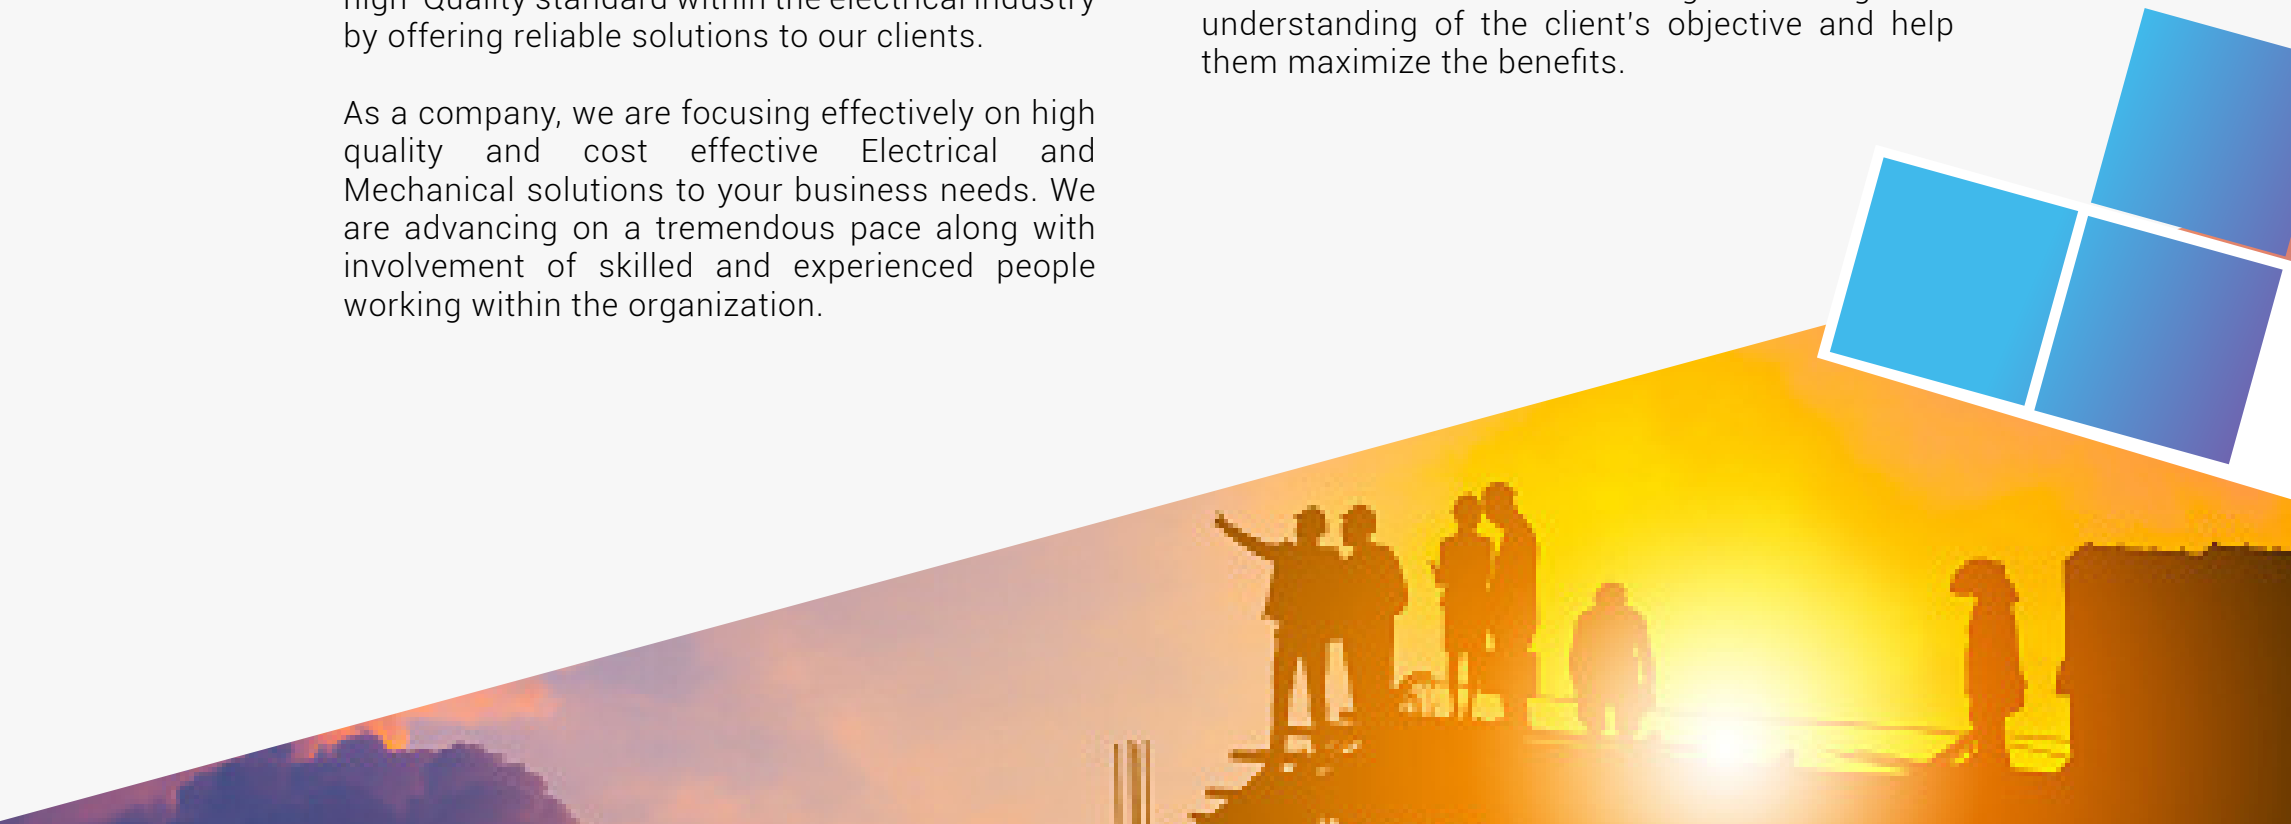

Mentolek Projects was registered in 2014 and formed by a group of Professionals having combined more than 20 years of Experience in Electrical & Mechanical Industry and Construction in general.

Our mission is to achieve a reputation of high-Quality standard within the electrical industry by offering reliable solutions to our clients.

As a company, we are focusing effectively on high quality and cost effective Electrical and Mechanical solutions to your business needs. We are advancing on a tremendous pace along with involvement of skilled and experienced people working within the organization.

We constantly strive to be a leading Electrical and Mechanical firm with profound business and functional knowledge. The key to Company success is a maintenance of a close working relationship with clients through ensuring the best possible solutions to their needs.

Establish and maintain a thorough knowledge and understanding of the client's objective and help them maximize the benefits.

MISSION
